FUNDRAISING GUIDE

A Warm Welcome

Thank you for joining us on this special evening and helping us raise vital funds! Your support is allowing us to make a real difference to some of the UK's most seriously ill children, their families and the NHS staff who care for them!

This booklet presents our fundraising activities planned for the evening and lists all the exciting prizes to be won. All prizes are kindly donated by our friends and partnering businesses.

We hope that with the help of your valued contribution we will raise £10,000 towards the renovation of the TONI&GUY Ward at King's College Hospital. All funds raised on the night will go to the TONI&GUY Foundation.

Meeting this goal is vitally important to help us reach the total of £71,350 which is needed to cover renovation costs across the Ward. Our aim is to reduce anxiety of patients and make it a more welcoming and functional space for parents and hospital staff.

A COLLECTOR'S EDITION OF THE TAOSCÁN SINGLE MALT IRISH WHISKEY (1 OF 1000 BOTTLES)

The Taoscán is the world's first and only Port & Chestnut finished single malt. Awarded Silver at the prestigious World Whiskies Awards, beaten only by its older brother The Devil's Keep (also made by The Craft Irish Whiskey Co.).

The Taoscán is a rare and unique expression of a triple distilled Irish whiskey, crafted to perfection over 15 years across a total of four barrels; Ex-Bourbon American Oak, Sherry Oloroso and then split between Tawny Port and Virgin Chestnut casks for its final years. Whether you're drinking or collecting, this is not to be missed!

On the nose: Warm banana bread studded with candied walnut, joined by the rich sweetness of golden syrup and the mellow vanilla of a coke float, with just a hint of sourness.

On the palate: A rich spice travels through the mid-palate, rounded out with a smooth viscosity that engulfs the whole mouth with an exceptional creaminess. On the back-palate, a slightly dry mouthfeel melts into warming notes of vanilla, toasted nuts and the joyful memories of campfires' mores.

The finish: A medium to long finish of roasted chestnuts and a hint of spice calls to mind the warm embrace of home.
