WHO WE ARE

Who we are

Introducing The Thrive Club, an integral part of The Luxury Collective Surrey. The Thrive Club serves as a business development and networking group dedicated to driven businesswomen, providing a space for connection and growth. Within this community, you'll meet a network of like-minded female entrepreneurs, typically characterised by those who transitioned to entrepreneurship after a successful corporate career. Many members balance the challenges of running a small business while raising a family, all while seeking a supportive business network.

What we do

Our aim is to create a warm and welcoming space where members can connect with like-minded women. We believe in the power of sharing ideas and experiences to enrich each other's networks and uplift our businesses. We nurture this supportive atmosphere through our monthly in-person gatherings, where we invite both external and internal experts to share their insights as part of our Visiting Masters program. Join us to engage, learn, and thrive. Our members consistently say that being part of Thrive transforms their business journey.

Best Networking Group in Surrey

The Thrive Club received the prestigious “Best Networking Group” Award at the Surrey SME Business Awards in both 2023 and 2024. In 2024, Luna was honored as Influencer of the Year. Furthermore, she was shortlisted for the “Bold Woman of the Year” and acknowledged as one of the Influential Women in Surrey that same year.

VALUES

Surround yourself with a powerful network of women.

Thrive Club members are incredibly supportive, embracing a "we not me" mindset where experiences and connections are shared for the collective benefit. Many members express how they have discovered and developed invaluable friendships while gaining business support through the group.

Thrive Club Values: Empowering Women in Business

Our values form the foundation of all our actions:

- Growth
- Contribution
- Community

The Thrive Club is a select council of non-executive directors committed to uplifting the modern, ambitious businesswoman. Our mission is to cultivate a vibrant community that promotes growth, contribution, and connection among our members.

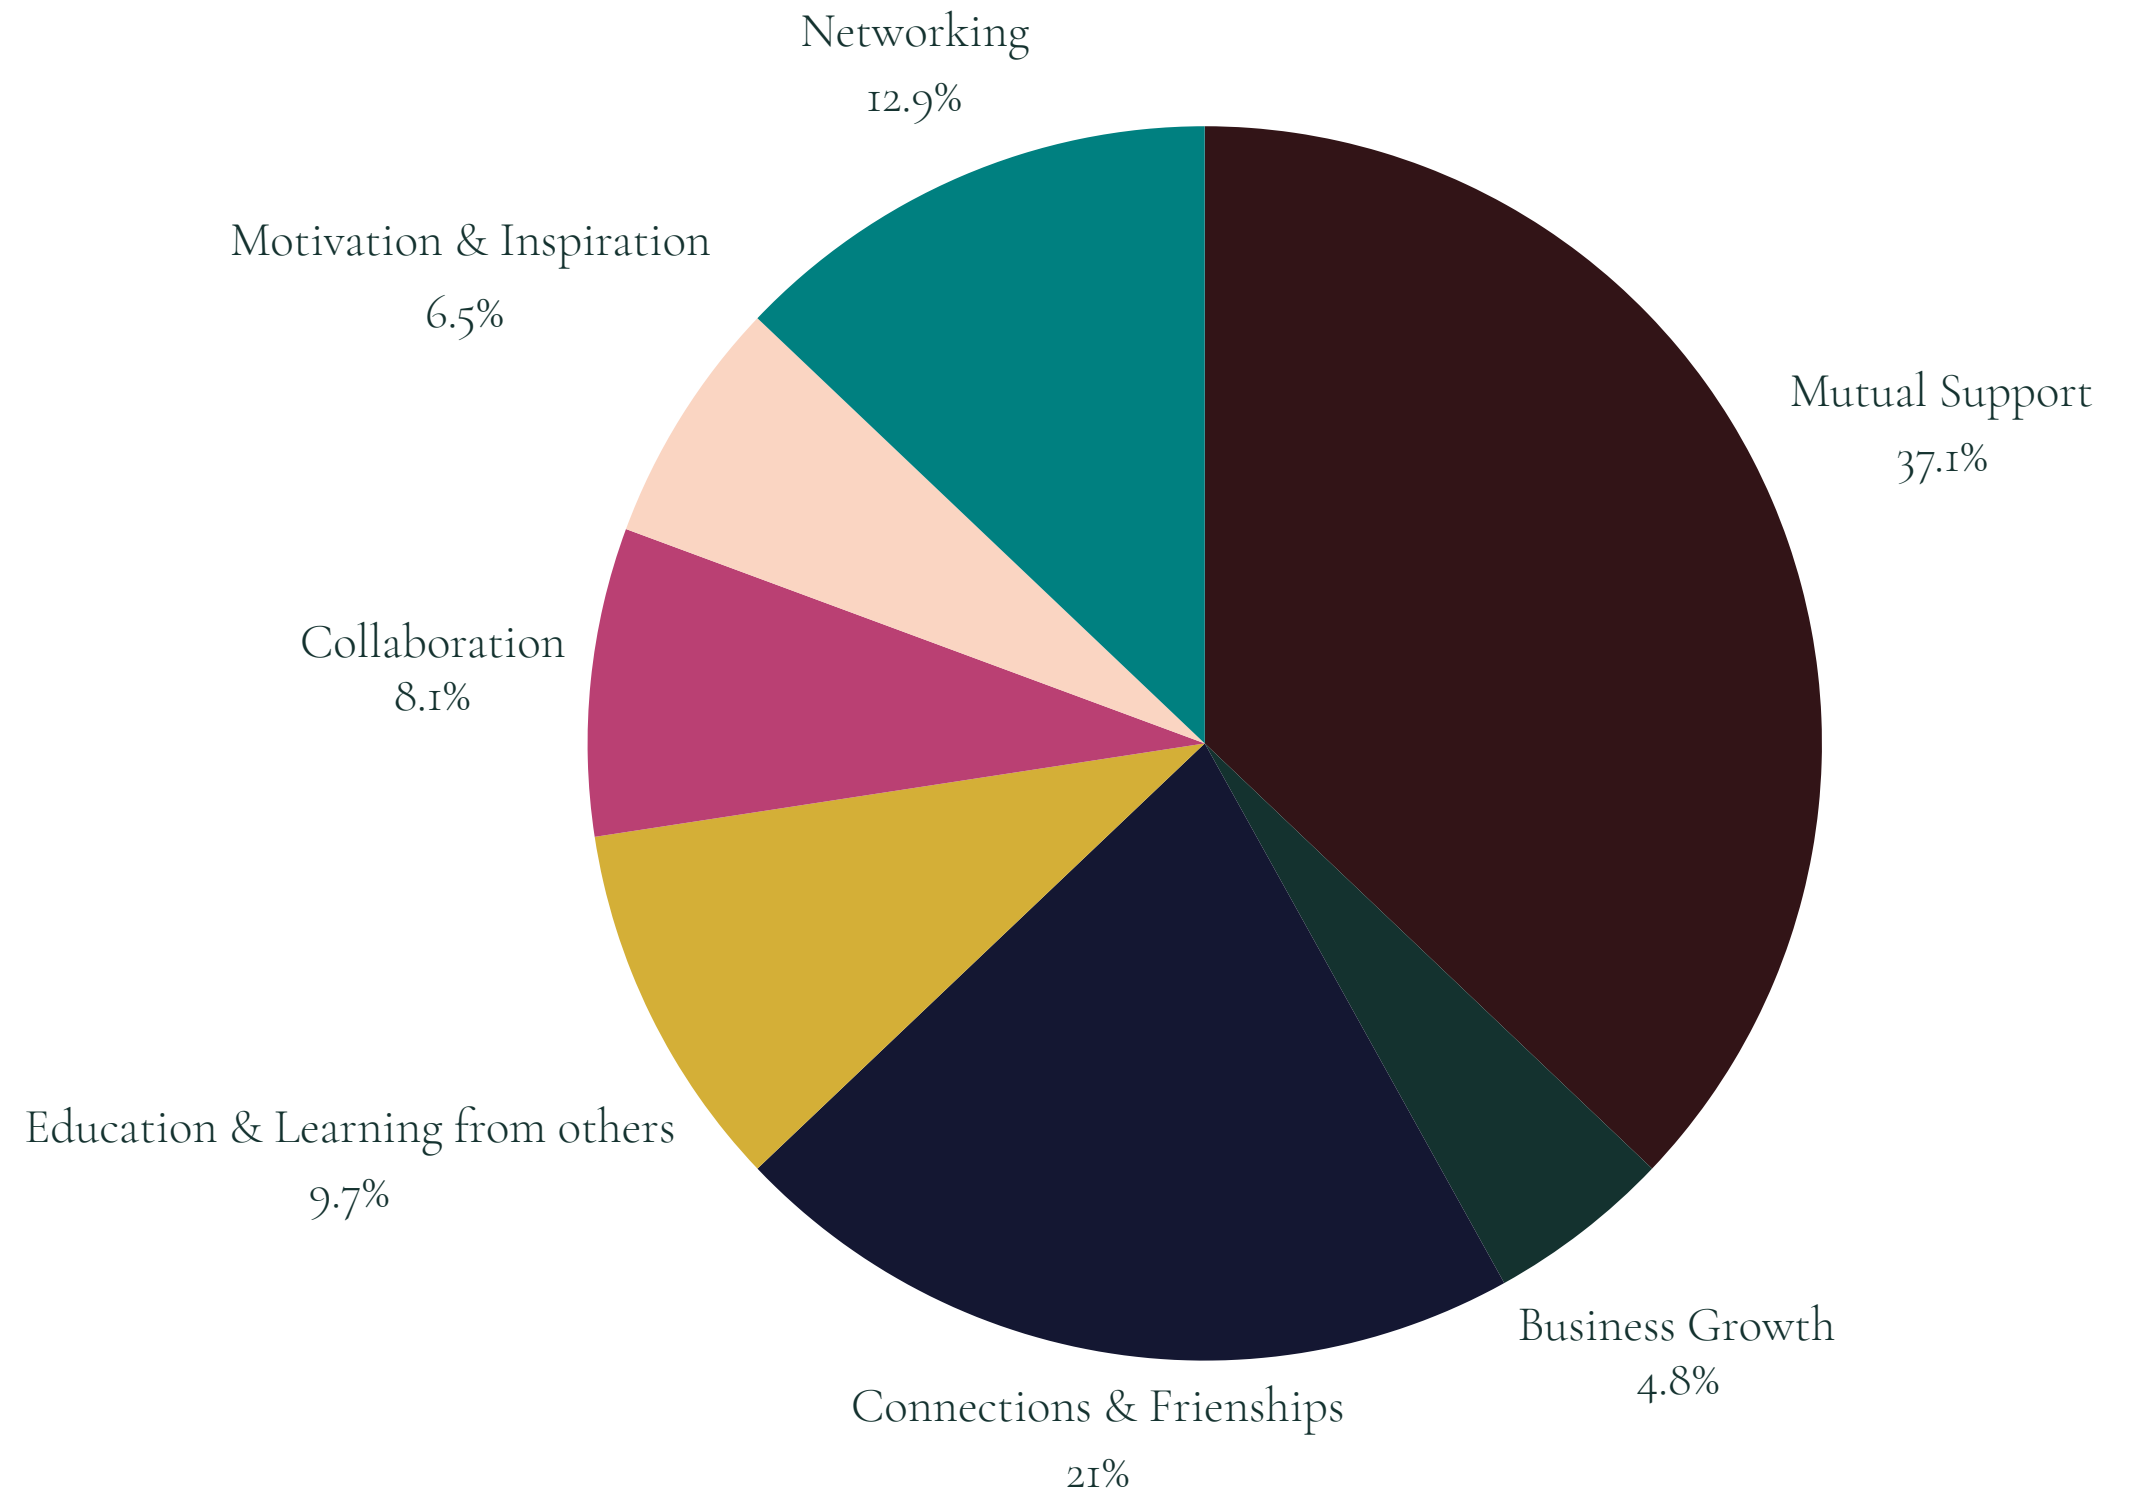

CUSTOMER TESTIMONIAL

“This is such a wonderful, welcoming women’s networking group. In fact, it’s more than networking. I felt very welcomed and immediately comfortable at my first meeting so much so I decided to become a member and I really look forward to going to the meetings. Luna has thoughtfully created this wonderful opportunity for like-minded women to get together in a wonderfully connected community!!” A.B.

REASONS OUR MEMBERS JOIN

Members list the following main reasons for seeking membership to the Thrive Club:

- Lacking in sufficient networks
- Spending too much time alone
- Working too much on your business rather than in it
- Lack of exposure to their ideal client
- Not enough time spent with women in similar positions to themselves

A group of approximately ten women are seated around a large, dark wooden conference table in a grand, ornate room. The room features a high ceiling with a large, multi-tiered crystal chandelier and intricate gold-colored moldings. Large windows with dark green curtains are visible in the background. The women are engaged in conversation, and the table is set with water bottles, glasses, and small bowls of fruit. The overall atmosphere is professional yet elegant.

CUSTOMER TESTIMONIAL

“I have met so many lovely ladies - all small business owners in the luxury market creating a supportive and progressive atmosphere. For me, the knowledge & experience sharing aspect is especially positive and it is certainly the most interesting and informative networking Club I have been to” K.C.
